Opening Prayer:

- Rev Karen Hernandez opening in prayer

Clergy Compensation Document:

- Only item is approving compensation as Pastor Stacie shifts to clergy on July 1st
- Appointed by Bishop effective July 1st
- She will have sacramental authorities and baptisms

Changing clergy:

Rev Karen- Pastor Stacie was ordained from Church of the Nazarene. Bishop Elaine recognized her ordination. Pastors can transfer to become local pastors, but to be clergy, that person has to be appointed by Bishop. Rules and standards need to be met by local church, it has taken about a year for it to come about. Todd/Ashlee has spearheaded getting this in order. Theological and technical parts ready to be transferred.

Ashlee - When we hired her, we knew she would be hired on as a local pastor with eventually switching to clergy, but as she switches over, we pay insurance and pension expense, all other amount stay the same.

Vote:

- Approves clergy compensation total amount \$83,834.60
- Confirming \$83,834.60
- All approves, raise hand - total 9 approves, no opposing
