

Legacy Endowment Projects and Gifts

In the past, the ministries and programs that have benefitted from distributions from the earnings of the endowment fund have a dollar value in excess of \$400,000. These projects include helping the remodel of the Amity Campus. In addition, funding was provided for improvements to the Cana Chapel, the roof, the HVAC system, the music wing remodel, stained glass window restoration, technology upgrades, COVAX support, the “Living Legacies” book, sound board for the Emmaus Center, children’s playground equipment and many more programs.
