## OF THE ROCKIES

Boise First United Methodist Church

## Director of Music Ministry

### Position Description:

This is a full-time salaried position at a large church in Boise, Idaho. The Music Director will oversee all traditional music programs at the Cathedral of the Rockies (COTR) and report to the Senior Pastor. Traditional music programs include adult, youth, and children's choirs, small choral groups, instrumental ensembles, and handbell choirs for youth and adults. The Director will lead all aspects of the music program necessary for excellent, spirit-filled worship, including literature selection and preparation of vocalists and instrumentalists. The Director will collaborate with the Contemporary Music Program Director at the Downtown and Amity campuses.

Current music ministry staff includes an organist, an administrative assistant and a children's choir director. Funding and support is available for additional staff as needed based on the ministry needs.

The COTR has a long tradition of excellence in music, and the Cathedral's leadership believes that a strong music program for all ages has been a critical factor in the growth, vitality, and spiritual life of the church. The church has a history of support for organ arts, and it houses one of the largest pipe organs in Idaho. The high caliber of the COTR music program has attracted many talented amateur as well as semi-professional and professional musicians; as a result, the COTR's adult, youth, and children's ensembles have become an integral part of the musical and spiritual life of the greater Boise area. The Boise region is growing fast with a healthy climate, beautiful environment, and strong community support for the arts.
