Abide With Me

Verse 1:

Abide with me; fast falls the eventide
The darkness deepens; Lord with me abide
When other helpers fail and comforts flee
Help of the helpless, O abide with me

Verse 2:

Swift to its close ebbs out life's little day
Earth's joys grow dim; its glories pass away
Change and decay in all around I see
O Thou who changes not, abide with me

Verse 3:

I need Thy presence every passing hour
What but Thy grace can fail the tempter's power
Who like Thyself, my Guide and Stay can be
Through cloud and sunshine, O abide with me

Verse 4:

I fear no foe with Thee at hand to bless
Ills have no weight and tears no bitterness
Where is death's sting? Where, grave, thy victory?
I triumph still if Thou abide with me

Verse 5:

Hold Thou Thy cross before my closing eyes
Shine through the gloom and point me to the skies
Heaven's morning breaks and Earth's vain shadows flee
In life, in death, O Lord, abide with me

Glory and honor, praise, adoration,
Now and forevermore be thine!

Naught be all else to me, save that Thou art!

I ever with Thee and Thou with me, Lord
Thou my great Father and I thy true child
Thou in me dwelling and I with Thee one

Riches I heed not, nor man's empty praise
Thou mine inheritance now and always
Thou and Thou only, first in my heart
Great God of heaven, my treasure Thou art

High King of heaven, my victory won

May I reach heaven's joys, O bright heaven's Sun

Crowded Table

Verse 1:

When you're feeling valley-low
I can be your streetlight
Showing you the way home
If you can hold my hand
When you need to let go

And a place by the fire for everyone
Let us take on the world while we're young and able
And bring us back together when the day is done

Wait to join his resurrection

Good Day (It's Been Awhile)

Verse 1:

It's been awhile since I sat with you
Without a knot in my chest, oh
It's been awhile since I wanted to
I always felt a little oppressed, oh
It's been awhile

Verse 2:

It's been awhile since I went ahead
And let down my guard
Because I carry the eight of the words you said,
And that makes it just a little bit hard
To reject the lies you perpetuate,
But you're not the keeper of the pearly gate
It's been awhile, but I'm coming back to fight for my place

Chorus 1:

A good day to come back home,
You sent me away, but I was never alone
You were afraid that there was not enough
But you can't run out of love
So I'm here to stay and
I'm sitting in the front row
Because it's a good day to come out of the shadow
God made me good in every way,
So I'll raise my voice to celebrate a good day

Verse 3:

It's been awhile since I could admit
That there was something missing
But I've seen enough to know what love is
Yeah, and what love isn't
I'm not content to fade into the crowd
And let you decide who's in or out
So I'm coming back, because I'm living proof
That it all belongs, without a doubt

Chorus 2:

A good day to come back home,
You sent me away, but I was never alone
You were afraid that there was not enough
But you can't run out of love
So I'm here to stay and
I'm standing in the front row
Because it's a good day to come out of the shadow
God made me good in every way,
So I'll raise my voice to celebrate a good day
