# Abide With Me

## Verse 1:

Abide with me; fast falls the eventide  
The darkness deepens; Lord with me abide  
When other helpers fail and comforts flee  
Help of the helpless, O abide with me

## Verse 2:

Swift to its close ebbs out life's little day  
Earth's joys grow dim; its glories pass away  
Change and decay in all around I see  
O Thou who changes not, abide with me

## Verse 3:

I need Thy presence every passing hour  
What but Thy grace can fail the tempter's power  
Who like Thyself, my Guide and Stay can be  
Through cloud and sunshine, O abide with me

**Verse 4:**

I fear no foe with Thee at hand to bless  
Ills have no weight and tears no bitterness  
Where is death's sting? Where, grave, thy victory?  
I triumph still if Thou abide with me

**Verse 5:**

Hold Thou Thy cross before my closing eyes  
Shine through the gloom and point me to the skies  
Heaven's morning breaks and Earth's vain shadows flee  
In life, in death, O Lord, abide with me

Alleluia, Alleluia  
Alleluia

## Verse 2:

Thou rushing wind that art so strong  
Ye clouds that sail in Heaven along  
O praise Him, Alleluia  
Thou rising moon in praise rejoice  
Ye lights of evening find a voice  
O praise Him, O praise Him  
Alleluia, Alleluia  
Alleluia

And praise the Spirit three in One

O praise Him, O praise Him

Amazing grace how sweet the sound  
That saved a wretch like me  
I once was lost but now am found

And grace my fears relieved  
How precious did that grace appear

We've no less days to sing God's praise  
Than when we first begun

# Bridges of Light

## Verse 1:

Thought I would always know  
How to travel this road  
Now it seems unclear  
Lately I find this path  
Keeps on turning me back  
Not a landmark in sight  
I need a guide, because

## Pre-Chorus:

Each turn looks too much like the next  
Too much on the line to just risk a guess  
I need a guide, help me to find  
Where my two feet stand

**Chorus:**

Do you know the way  
Would you shine a light on my path  
The next step I take  
Could be the one that leads me back to truth

**Verse 2:**

Felt sure about my landscape  
Now it's shifted and changed  
I'm searching for a path  
Thought I could navigate  
The twisting turns of this way  
Gotta find higher ground  
So I can be found because

**Pre-Chorus:**

Each turn looks too much like the next  
Too much on the line to just risk a guess  
I need a guide, help me to find  
Where my two feet stand

Do you know the way  
Would you shine a light on my path  
The next step I take  
Could be the one that leads me back to truth

To hope  
To peace  
Feel it washing over me  
If light  
Brings peace  
Would you help  
Build a bridge of light with me

Would you shine a light on my path  
The next step I take  
Could be the one that leads me back to truth

The next step I take

# Crowded Table

## Verse 1:

You can hold my hand  
When you need to let go  
I can be your mountain  
When you're feeling valley-low  
I can be your streetlight  
Showing you the way home  
If you can hold my hand  
When you need to let go

## Chorus:

I want a house with a crowded table  
And a place by the fire for everyone  
Let us take on the world while we're young and able  
And bring us back together when the day is done

## Verse 2:

If we want a garden  
We're gonna have to sow the seeds

Plant a little happiness  
Let the roots run deep  
If it's love that we give  
Then it's love that we reap  
If we want a garden  
We're gonna have to sow the seed

**Chorus:**

I want a house with a crowded table  
And a place by the fire for everyone  
Let us take on the world while we're young and able  
And bring us back together when the day is done

Your picture's on my wall  
Everyone's a little broken  
And everyone belongs  
Yeah, everyone belongs

And a place by the fire for everyone

Let us take on the world while we're young and able

And bring us back together when the day is done

## Good Day (It's Been Awhile)

### Verse 1:

It's been awhile since I sat with you  
Without a knot in my chest, oh  
It's been awhile since I wanted to  
I always felt a little oppressed, oh  
It's been awhile

### Verse 2:

It's been awhile since I went ahead  
And let down my guard  
Because I carry the eight of the words you said,  
And that makes it just a little bit hard  
To reject the lies you perpetuate,  
But you're not the keeper of the pearly gate  
It's been awhile, but I'm coming back to fight for my place

**Chorus 1:**

A good day to come back home,  
You sent me away, but I was never alone  
You were afraid that there was not enough  
But you can't run out of love  
So I'm here to stay and  
I'm sitting in the front row  
Because it's a good day to come out of the shadow  
God made me good in every way,  
So I'll raise my voice to celebrate a good day

**Verse 3:**

It's been awhile since I could admit  
That there was something missing  
But I've seen enough to know what love is  
Yeah, and what love isn't  
I'm not content to fade into the crowd  
And let you decide who's in or out  
So I'm coming back, because I'm living proof  
That it all belongs, without a doubt

**Chorus 2:**

A good day to come back home,  
You sent me away, but I was never alone  
You were afraid that there was not enough  
But you can't run out of love  
So I'm here to stay and  
I'm standing in the front row  
Because it's a good day to come out of the shadow  
God made me good in every way,  
So I'll raise my voice to celebrate a good day

**Bridge:**

It's a good day  
Nothing's gonna keep me  
Out of the light,  
I'm not gonna hide  
I've got a heart in the right place  
Covered in the good graces of  
An endless love

**Bridge:**

It's a good day  
Nothing's gonna keep me  
Out of the light,  
I'm not gonna hide  
I've got a heart in the right place  
Covered in the good graces of  
An endless love

**Chorus 2:**

A good day to come back home,  
You sent me away, but I was never alone  
You were afraid that there was not enough  
But you can't run out of love  
So I'm here to stay and  
I'm dancing in the front row  
Because it's a good day to come out of the shadow  
God made me good in every way,  
So I'll raise my voice to celebrate a good day

**Outro:**

It's a good day  
Nothing's gonna keep me  
Out of the light,  
I'm not gonna hide  
I've got a heart in the right place  
Covered in the good graces of  
An endless love

Mountain high, valley low,  
I'm gonna ding wherever I go

## **Verse 1:**

God is for me, He's not against me  
I will hold to the plans He has for me  
When I'm broken, He will fix me,  
I will call on the name of the Lord

**Chorus:**

All my life, all I know,  
God's been good, good to my soul  
Mountain high, valley low,  
I'm gonna ding wherever I go

**Verse 2:**

He's my heart song in my sorrow,  
He's my hope and strength for tomorrow  
When the storms rise all around me  
I will call on the name of the Lord

**Chorus:**

All my life, all I know,  
God's been good, good to my soul  
Mountain high, valley low,  
I'm gonna ding wherever I go

**Chorus:**

All my life, all I know,  
God's been good, good to my soul  
Mountain high, valley low,  
I'm gonna ding wherever I go

**Bridge:**

I got joy, joy, joy deep in my soul  
I will sing, sing, sing wherever I go

**Chorus:**

All my life, all I know,  
God's been good, good to my soul  
Mountain high, valley low,  
I'm gonna ding wherever I go

**Chorus:**

All my life, all I know,  
God's been good, good to my soul  
Mountain high, valley low,  
I'm gonna ding wherever I go

# **The Sweetest Sound**

## **Verse 1:**

All my burdens born of suffering

All I carry longing for a home

We are homeless in our secrets

No more wandering

I'm running to be known

I'm not alone

## **Chorus 1:**

Your love is a melody

Led me out of slavery

Freedom I am glory-bound

When my chains hit the ground

Oh the sweetest sound

**Verse 2:**

Forgiveness, liberation  
I'm delivered from the enemy  
You silence the accuser  
Oh saving victim  
That saved a wretch like me

**Chorus 2:**

Your love is a melody  
Led me out of slavery  
Freedom I am glory-bound  
When my chains hit the ground  
Oh the sweetest sound  
When my chains hit the ground  
Oh the sweetest sound

**Bridge:**

Let freedom ring, let justice roll  
From every village, from every home  
Your hope redeems this sinner's past  
God Almighty I'm free at last  
Thank God Almighty I'm free at last

**Chorus 2:**

Your love is a melody  
Led me out of slavery  
Freedom I am glory-bound  
When my chains hit the ground  
Oh the sweetest sound  
When my chains hit the ground  
Oh the sweetest sound

**Tag:**

When my chains hit the ground  
Oh the sweetest sound  
When my chains hit the ground  
When my chains hit the ground
